Bernie St. Louis reported that the minutes of the Sherwood Improvement District are being put on the website, as well as, an update on the burglaries in Shawnee County that were reported by Len Richter.

Dick May, Jr. reported that he has started early on the road repair work for 2006. He indicated that within the next week or so, last year's roadwork should be completed. He said Roy Myers will look into the Gwaltney/Evans project after about 4-6 more weeks of work that he is completing.

Dick reported on the speed limit signs with the district. He found the county resolution for 25 mph speed signs - which indicate the district can install them without another traffic study, as per Lynn Couch. Dick will call on prices for installation of signs and Bernie will get installation prices from the county for comparison.

The attached resolutions were passed by a unanimous vote of the board.

There being no further business, the meeting was adjourned.

W.J. White, President

H.J. Bromich, Secretary

Bernie St. Louis, Treasurer
